SOLEMNITY OF OUR LORD JESUS CHRIST, KING OF THE UNIVERSE

Of all the titles we could bestow on Jesus that of 'King' would seem to be one of the most inappropriate. It smacks of the kind of things he rejected. When we think of a king we think of a throne, a crown, a palace, great wealth, power, prestige, servants, and of course an army. When we look at Jesus what do we see? There are none of these. We see him walking the dusty roads of Palestine with a little band of disciples. He is surrounded by the poor and the sick, by sinners and outcasts. In reality, by the kind of people who in worldly kingdoms are looking in through the gates of the royal palace, if they get even that close. Yet, the title 'King' is appropriate, and stands for something true and real in Jesus. First of all it stands for his divinity. God is the Lord of all, the King of the Universe, the One to whom all owe allegiance, the Ruler and Judge of all. Thank God each day that he has called us to be his witnesses in the world today.
